

Labeling Instructions:

*In order to get access to labelbox account email mshah352@gatech.edu

Measurements:

Radial Height and Radial Inclination are the primary focus. These require us to label the frontal view. Below is the labeling view.

TO LABEL:

- Minima of Articular Surface
 - The point furthest on the ulnar(pinki) side of the bone.
- Radial Styloid
 - Highest point on the the thumb side
- L/R
 - Tell which hand it is on.
